Description:

Twelve-year-old Anna is looking forward to the birth of her baby brother. Ben arrives, but is disabled and will never be like other children. Anna loves him with her whole heart but she finds herself unable to admit the truth of Bens condition to her school friends. Eventually the truth gets out and leads not to the ridicule Anna expected, but sympathy and understanding.

This was a wonderful book...I realize it is a kids book, and I am an older adult so I think it is for all ages. It moved me to tears several times and a book doesn't often do this.
