Description:

Life Summary Profile Benefits (What you can accomplish?) • Leave behind a highly detailed legacy...the 'finishing touch' for a boomers self

actualization. Who was I? How did I live? What did I learn and what was important to me? What is the most important thing you can do before you leave this world? Leave your wisdom and your way of life behind for others to learn from • Plan and live the rest of your life more fully by knowing your interests and accomplishments. Realize what your priorities truly are and so much more. This summary will 'fully' develop a complete detailed look at your life. You will create a profile with what you might never have thought of without the triggers and examples mentioned in this book • Inspire, help and guide others including family and friends to plan their life better from your experience using this template • Share your personalized family ancestry in your own words to your descendants • Develop a Personality Traits analysis Why Only a Summary to Tell About a Lifetime? Give an overview of your life in a detailed 5 page executive summary in bullet point format that others can scan quickly, easily, succinctly and insightfully. As opposed to the long memoirs that may never be written, published or printed, bought or read. Why Only a 25 Page Book? It is difficult to recall how many times I have wasted hours sifting through a 200+ page self help book to simply find the nugget, the executive summary of what I really needed to know without all the filler and alliterations....it's about quality, not quantity. If you like 'just the facts Jack', you should enjoy this 'bookette' format written with brevity and succinctness, like the life summary concept itself. The detailed examples included are meant to be the majority of what to take away from the book and should be worth the cost of the book. Some Examples of Headings Influences; Influencers; Interests; Favorites - Books, Quotes, Music/Recordings, Destinations, Stories; Education; Work; Community Service; Religious; Self Analysis; Children; Ancestors, ...

This is a great guide for anyone wishing to write an autobiography. Larsen has managed to squeeze an in-depth guide into a 25 page booklet. The booklet helped me crystallize my thoughts into a coherent form. He uses some of his own life experiences as examples and it makes for some interesting reading. All in all it provides an excellent framework for anyone wishing to record their life story. And all for 99 cents ! Cant beat that.

## **Sharing Your Legacy: An Example of How To Write a Concise Summary Profile of Your Life in a Bullet Point Format**

Hell have you completely surprised, and things will happen that youd never suspect in your wildest dreams. It added Yourr a tragic element to the story that I felt sympathy for the main character rather than any disdain for his behavior. It is the only way professional traders do it and it is how they develop their razor sharp edge to win in Sharign live markets against the best market participants in the world. Review originally appeared in Darren Cronshaw, The Emerging Church: Introductory Reading Guide', Zadok Papers, S143 (Summer 2005). As the master of getting readers to suspend disbelief, ERB takes it to the extreme in The Mad King. 745.10.2651514 Due to a numbering error, ZOOT COMICS actually had two. I was disappointed, however, because the inside illustrations are so small. Still, I feel the book is somewhat marred by its ending and has somewhat less interesting subject matter than previous volumes. I found it interesting and strangely compelling. I couldnt have done it without him. Though she'd had a few short stories published, it wasn't until the birth of her daughter in 2012 that she decided to take the leap and write her first full-length novel, Men Women Can't Be Friends. The effect is delightful: the readings are as much performance as analysis.
